## *AN EYE FOR NEW BUSINESS*

EyeAssist's mission is to bring very expensive, cutting edge technology to the door of ophthalmologists and optometrists, who in turn affordably deliver this technology to their patients.

"BEACH BUSINESS BANK launched us from a vision to an operating company", said Cliff Scott and Peter Legaspi, the founders of EyeAssist.

Bob Franko, the President of BEACH BUSINESS BANK, said, "New businesses like EyeAssist will lead our country out of this recession. We are proud to be their bank, and proud to provide them with the capital they need to be successful."
