IN THE MARKET FOR GREAT BUSINESS

Barry Fisher's family has been in the produce business for over 75 years. After more than 15 years of exporting fresh, California grown fruits and vegetables to Asia, Barry and wife Kathy decided it was time to realize their dream and open their own shop right here in the South Bay. With the goal of providing only the choicest produce to the community, the Fishers found the one bank that would help them realize their dream.

"Bob Franko and the folks at BEACH BUSINESS BANK love this neighborhood as much as we do," Barry said. "They listened to our story, believed in our cause, and Grow the Produce Shop was born. We like to think our shop of hand-selected items makes our wonderful town even more special, and we credit BEACH BUSINESS BANK for giving us the tools to help us Grow."
