

Robert Hess presents Bob Franko with a token of appreciation for BEACH BUSINESS BANK's support in the effort to eliminate prostate cancer.

THE BUSINESS OF SAVING LIVES

ROBERT HESS, President of the Prostate Cancer Awareness Project and Managing Partner of TSG Consulting, wanted to find a local business to support his prostate cancer awareness program. He turned to Bob Franko at BEACH BUSINESS BANK, "because BEACH BUSINESS BANK focuses on the broader needs of the people it serves," Hess said.

"We know that prostate cancer kills almost 30,000 men every year, and we also know that it's highly curable if caught early," said Franko. "If BEACH BUSINESS BANK can help send out the message that men should get an annual PSA test, then we feel we've made a valuable contribution to our community."

Hess, who keeps all of his business accounts with BEACH BUSINESS BANK, said, "I am proud to be a client of BEACH BUSINESS BANK, the most dedicated community bank I've ever known."
