BUILDING ON SUCCESS

Ken Johnson has a well-deserved reputation as one of the finest home builders in the South Bay. When all of the other banks stopped lending to builders, Ken was referred to BEACH BUSINESS BANK.

"Our folks could tell the level of quality that Ken builds into every home," said Bob Franko, the President of the Bank, "so we decided to put together a program to help Ken build homes in this area. It has been a win-win situation for both of us."

Ken sees it that way, too. "BEACH BUSINESS BANK worked with me to allow us to keep going when so many other builders were closing down their jobs. The staff at the Bank is creative and responsive. I am really proud that I was able to keep most of my sub-contractors working during the worst recession in our lifetimes. I could not have done that without BEACH BUSINESS BANK."
