Beach Business Bank Welcomes Director Michael Quick

MANHATTAN BEACH, Calif.--(BUSINESS WIRE)--April 19, 2006--Beach Business Bank (OTCBB: BBBC) (the "Bank"), has announced the appointment of Dr. Michael Quick as its newest Director.

A successful orthodontist from Little Rock, Arkansas, Dr. Quick joins the Board of Directors of the Bank this month. In addition to his orthodontic practice, Dr. Quick is also an experienced real estate investor and a trusted advisor to other healthcare professionals on wealth accumulation and the management of their businesses.

Dr. Quick is one of Beach Business Bank's original founding investors and he brings many years of business experience to the Board as a healthcare professional, a wealth counselor, and a real estate investor.

Co-Chairman of the Board, John Philips noted that he has known Dr. Quick professionally for many years and that he is truly delighted that Dr. Quick is joining the Board. Dr. Quick's experience and knowledge will leverage the Bank's successful strategy of serving physicians and dentists nationwide through The Doctors Bank, a division of Beach Business Bank.

Beach Business Bank is headquartered at 1230 Rosecrans Avenue, Lobby Level, in Manhattan Beach, and has a second full-service office at 180 East Ocean Boulevard, Lobby Level, in Long Beach. The Bank is first and foremost a community business bank serving Los Angeles, Long Beach, and South Bay area residents and businesses. The Bank also has a division named The Doctors Bank, which serves physicians and dentists nationwide. In addition, Beach Business Bank provides loans to small businesses, focused around the SBA 7(a), 504 and Express lending programs. For more information on the Bank, please visit www.beachbusinessbank.com or call (866) 862-3878 or (310) 536-2260; in Long Beach, call (562) 435-8600.
