

BEACH BUSINESS BANKSM

“CONVENIENCE —
The Bank comes right
to my Front Door!”

MARTIN NEELY & ASSOCIATES

ALEXIS NEELY, principal of Martin Neely & Associates, a Redondo Beach-based estate and wealth planning law firm, has built a very successful practice by raising the bar on customer service and creating peace of mind for her clients. So when her bank was unable to provide convenient ACH services for her clients, she decided to make a change. The only bank she found that offered what she was looking for was **Beach Business Bank**.

“I wanted to provide the ultimate in service to

my clients, so it made sense to do business with a business bank that shares my values and philosophy,” said Neely. “Bob Franko, Beach Business Bank’s President, has created the most convenient and personal banking experience I’ve ever known. He and his entire staff treat me like I’m someone special. They do all in their power to make banking convenient for me. When I call, I get an immediate response and I’m never transferred from one extension to another. I can even email the bank’s principals with any questions, which is a huge benefit in this busy world. When I wanted to arrange a credit line, they made the process very easy.

“I also love the courier service **Beach Business Bank** provides right to my front door,” continued Neely. “I never have to run out to the bank anymore and my staff and I are freed up to better service our clients. Better than any bank I’ve ever used, **Beach Business Bank** knows how to help me grow my business to the next level.

“A successful banking partnership is critical for every business owner and I feel very fortunate to have established a long term and valuable relationship with **Beach Business Bank**,” said Neely.
