TEAMWORK FOR A CURE

Renowned medical oncologist Dr. Lee Rosen has treated patients from around the world as part of his Phase One cancer clinical trial research program. To bring this level of sophisticated and groundbreaking treatment to Southern California, Dr. Rosen established Premiere Oncology and the Premiere Oncology Foundation.

Dr. Rosen needed a unique bank to help him achieve his goals. THE DOCTORS BANKSM a division of BEACH BUSINESS BANK helped Premiere Oncology finance the development of a new, 28,000 square foot, community-based treatment and research center in Santa Monica.

Today, Dr. Rosen, Premiere Oncology, and the Premiere Oncology Foundation credit their BEACH BUSINESS BANK partnership for meeting Premiere's goals for growth. "Bob Franko and BEACH BUSINESS BANK understand the financial cycles of research," Dr. Rosen said. "They're familiar with our business model, they're flexible, and most importantly, the BBB team is always accessible. As we continue to grow, BEACH BUSINESS BANK grows with us."
